## **Business Continuity Commitment August 31, 2021**

We are committed to maintaining your safety and the safety of our staff.

Our office will be closed to the public effective today. We will continue to provide quick, reliable service to our borrowers, our bond holders, and our partners – but we will do this remotely for the foreseeable future, due to the COVID risks.

We remain committed to providing prompt, quality customer service throughout the pandemic. Staff are available to assist clients and customers using email and telephone. Please see the staff directory below.
