

Maine Municipal Bond Bank

2021 SPRING BOND ISSUE SCHEDULE

Capital financing through the Bond Bank's General Bond Resolution Program allows borrowers to take advantage of the Bond Bank's high investment grade rating, low interest rates and reduced issuance and post issuance costs. Traditionally twice a year, in the spring and fall, the Bond Bank will consolidate eligible applicants and engage in a bond sale. From application to receipt of funds the bond issuance process usually lasts three to four months. Below is the schedule for the Bond Bank's Spring Issue.

FEBRUARY						
	1	2	3	4	5	6
7	8	9	10	11	12	13
